After a good deal of stady and worry we have at last "figgered" out why so many country editors get rich. Here is the secret of their success: A child is born in the neighborhood; the attending physician gets \$10, the editor gives the lond-lunged younster and the ity in even the grown-ups, and ister gets \$5 and the editor gets so. It grows up and marries; the editor publishes another longwinded, flowery article and tells a dozen lies about the "beautiful and accomplished" bride. The minister gets \$10 and a piece of cake and the editor gets \$000. In the course of time it dies; the doctor gets from \$5 to \$100, the minister The near approach of the water- perhaps gets another \$5, the onmelon season caused an old darkey dertaker gets from \$25 to \$50, the editor publishes a notice of the denth, an obituary two columns long, lodge and society resolutions, "Yes, sub-dats what I said a lot of poetry and a free curd of
